This startup is focused on building relationships between nonprofits and for-profits under a unique business structure. Individuals will work their choice of part-time or full-time and will work from home. Ideal candidates should have education and/or experience in at least one of these areas: marketing, business, finance and it is helpful if they understand how nonprofits/NGOs operate. I am seeking individuals who are willing to work for equity only. If you understand that real wealth is built through equity ownership rather than a paycheck, I look forward to working with you.
