Daughter,
Congratulations on making it through four rough years of parties, doggie yoga, hanging out with friends, camping trips, and traveling through Europe. How did you ever find the time to get that degree with straight A's? I guess it shows how awesome we are as parents!
Love you, Mom and Dad

Brianna
To our beautiful daughter: We have been blessed to have such a talented, smart, kind, and determined daughter. We are so proud of everything that you have accomplished. Your journey is just beginning. Follow your dreams because anything is possible if you put your mind to it. There will be many blessings and disappointments in your life. Cherish the blessings and remember there are no failures in life, just lessons learned. Start full through adventures and remember we will always be by your side.
